

### **Marie Brock, GNC Director of Member Ship**

Marie Brock is the Payroll Manager for Lee Company, one of the leading HVAC companies in the Nashville area, which is located in Cool Springs. Lee Company was in the Nashville Business Journal's 500 best place to work in 2006 and 2007.

Marie began her payroll career in 1985 when Kusan Manufacturing Company wanted her to be back-up for their payroll department in addition to her current position of General Accountant Assistant. After six years, Kusan was sold and the Corporate office was relocated which lead Marie to Lee Company.

Marie has been with Lee Company for 19 years. She worked in A/P and A/R for 1.5 years and then transferred into payroll and benefits full time. Lee Company had approximately 200 employees at the time and Marie was processing payroll, payroll tax, new hire orientation and processing all Health benefits. In 2001 Lee Company had grown to 400 employees and hired a Benefits Coordinator. Lee Company continued to grow and in 2003 hired a payroll Clerk. Lee Company now has over 500 employees. And Marie processes all Bi-Weekly payroll, oversees the weekly payroll and processes all payroll taxes. She also participates in orientation and processing of the 401k plan and the new hire process.

Marie became a member of National APA and the Greater Nashville Chapter in 1997 and she is excited about her second term as Membership Director with the Nashville Chapter. She received her CPP certificate in September 2004.

Marie is originally from Mountain View Arkansas and has been in Nashville for 35 years. She plans to return to her home town upon her retirement. She has two children, Angela and Byron and two grandchildren, Jeffery and Aydia. Her family is local and she spends lots of her time with them.
