About the Tennessee Baptist Children's Home

The Tennessee Baptist Children's Homes, Inc. (TBCH) has, as its objective, to minister in the name of Jesus Christ to orphaned, neglected, dependant, and abused children and their families while leading them to become whole persons in Christ.

TBCH offers residential care, adoption-related services, and family resources to children and families in crisis across the state of Tennessee.

TBCH provides services to these children regardless of race, religion, economic standing, or ethnic origin. We do all of this without accepting government funding in order that we may teach the children in our care Christian values.
